

Gunslinger's Revenge

Revenge becomes his task. Death cannot stop him.

Blurb

The raven followed one man. Among Native peoples, it was known by many names - but the most common was Pelitium, the immortal avenger soul. It sought out mortals it could use, those whose thoughts burned with vengeance. But the rules were strict: revenge could only be carried out after death. And if this “gift” were used for evil, the soul would be lost and the avenger dragged to hell.

Billy MacDonald is a gunslinger, a bounty hunter, and the fastest draw in Texas. He lives with his sister, his only remaining family. A man named Ward Willis has taken everyone else from him - and Billy wants revenge. A prophecy by a medicine man foretells that a Native woman named Talulah is destined to meet him.

Prepare for a thrilling journey through the Wild West.
