

Reasons And Apologies

Book 1 The Reasons

Blurb

On the surface he's just like you. He's a son, a brother and a grandson. He's a teacher, a student and an advocate for all. With a seemingly good life on the outside One-day De'Rek is found in an empty tub with dried blood coming from his wrists. An act of suicide; that shocked his entire existence. Follow along his 13 reasons for feeling that he couldn't go on. Journey with him through 13 chapters and experiences that forced him to feel his departure was the best option. These very raw and detailed stories give you a direct look into what occurs when De'Rek stopped loving himself and was improperly loved by the very people meant to protect him. Venture through the 13 reasons that killed De'Rek and learn the signs and steps of a human suffering and how one man's death became another man's birth!
