### Blurb

The first book in the Tropes & Nopes Series is *Arranged*.

**Trope:** Sophie Sanchez is the quiet, restrained second daughter of a Don with a smaller clan, but her father is considered respected for his brutality. She has an older sister, Serena, who is the golden child, the one who seems more valuable. Sophie has shut off after the treatment from her father and sister when she was younger, as well as watching her mother's complicit behavior to the poor treatment and father's mistresses. She knows more than anyone realizes. But she has reached her limits. What happens with a woman who has reached her limits? She stops caring about the consequences.

**Dominic (Dom) Gutierrez** has one of the biggest clans, and wants an alliance with Sophie's father, but initially wanted her sister as his wife. Until he witnesses Sophie use her intelligence in an attempt to get out of the arranged marriage plan for Dom and Sophie. What happens when Dom begins to fall for his temporary wife?

**Nope:** Catalina Rossi is married off to the Spanish organized crime's second largest gang leader, Carlo Garcia. Although Catalina had not wanted the marriage, she eventually fell in love with her husband. Six months into the marriage, she catches her husband in a betrayal of the worst kind. And the worst part? He set it up to happen. The betrayal breaks Catalina more than her own family had. But Catalina cannot leave.

Carlo was expected to marry for an alliance. He didn't expect to actually fall in love with his wife. Unfortunately, Carlo allows his ego to lead him into the worst decision of his life. Can he rectify what he had wronged?

*Wow, I have loved all of your works, but this is exceptional. I love the twists and can't wait for the next one.*

*These were good stories to read and you get two to enjoy. The first one was of Dom and Sophia they had an arranged marriage, but with time they fall in love and Sophia definitely needed that love, for the way she was treated by the ones that are supposed to love you. The second one was of Carlo and Catalina this one was bit much rough and had more dark moments that you definitely need to check those TW. But they both were an intense read I will be sure to check more for this author stories.*
