

## Treasure In The Pines

### Blurb

Penelope has found a treasure - but it's locked.

When a curious Penelope finds a mysterious cash box at her grandparents' cabin, her papa gives her a challenge instead of a key: draw a map of the land that tells the full story.

As Penelope and her family hike through the woods, snap photos, and stumble into small but unforgettable adventures, the real treasure comes to light; the joy of slowing down and enjoying the journey.
