

Love To Alice

The Best Sunsets Follow The Wildest Storms

Blurb

Sometimes the most beautiful beginnings can blossom from heartbreak.

Finding her life suddenly shattered, twenty-eight-year-old Alice is stunned to discover she's inherited her beloved late Aunt Lucy's lakefront home in White Rock, Muskoka. Alice hopes the quiet northern town will help her find her footing again and ease the crippling panic attacks she's been having. Instead, it hands her surprises she couldn't have anticipated, including David, a handsome local who steals her attention, and a buried family secret that makes her question the trust she had with the people she loved the most.

And then there's Jordan Beck. Jordan, a local police officer with a guarded heart and a past that's damaged him deeply, becomes Alice's unexpected source of comfort. Their easy friendship deepens into something warmer, brighter... and far more dangerous to the walls he's spent years building.

Just as Alice begins to believe she might have a future in Muskoka, and maybe with Jordan, their lives take a devastating turn.

Will the weight of their pasts be the wrecking ball to their future, or will love be the salvation they never saw coming?

Set among the sparkling lakes of Muskoka, Ontario, this heartfelt contemporary romance is a story of second chances, buried secrets, and the courage it takes to open your heart again. Perfect for fans of small-town charm, slow-burn chemistry, and emotionally rich love stories.
