### Blurb

In Shadow Town, people have been disappearing behind locked doors for years, sparking suspicions of a serial killer. No one who investigated these cases had survived. It was private investigator Oliver Richardson's turn to try. Oddly, nothing but a red sofa had been found in the empty homes. That beautiful, fascinating piece of furniture that, for some reason, didn't wear out with use - as if it had taken care of itself. Are you ready to dive into this eerie mystery?
