

Love, Marriage, And The Spectrum

A family story of autism, faith, and choosing each other.

Blurb

In *Love, Marriage, and the Spectrum*, Ariadni Villaverde shares a deeply personal story of motherhood, faith, addiction recovery, and learning how love grows through life's hardest seasons.

Through honest reflections - from IEP meetings and family struggles to healing, sobriety, and rediscovering partnership - this memoir explores what it truly means to build a home where patience, advocacy, and faith can live side by side.

This is not just a story about autism.

It is a story about loyalty, redemption, and the kind of love that refuses to give.
