

Lotus

Blurb

Ren wakes up to another reality without her rose-coloured lenses. She then knows she has missed the point all along. Love is not as it seems and purple bills have tainted her future. She must find the missing pieces within a newborn trauma; a new journey is uncovered for Ren. She transforms herself as a woman in the deep of her subconscious. Gustave her upstairs neighbour attempts to do the same as his memories catch flight, he no longer recognizes who he really is.

Ren is immersed in the tricks and lies of the city life with the help of Sammy her loyal friend she will learn how to deal the cards. The characters attempt to find love in their new-found realities while discovering themselves. Everyone has a different perception of love.
