

7 Universal Truths From Near-Death Experiences

Blurb

What if the Meaning of Life has been revealed at the edge of life itself? '7 Universal Truths from Near-Death Experiences' distills the most consistent lessons reported by thousands who crossed over, and returned (no individual NDE stories, rather, a practical “manual” for living). Discover why love is the fabric of reality; how separation is an illusion and oneness heals; why you are more than your body and death isn't the end; how hardships are soul growth-lessons, not punishments; why there's no final judgment, only a life review; who the “I” behind your eyes truly is; and how the eternal Now frees you from regret and anxiety. Not a book about dying - about living, fearlessly.
