

The Village After Midnight

An Adult Interactive Horror Gamebook

Blurb

Your journey should have ended hours ago.

A routine night flight to Birmingham begins to feel subtly, impossibly wrong.

The cabin is familiar, yet something is out of place. Strange sounds travel through the darkness. Passengers behave in ways they shouldn't. And beyond the windows waits somewhere that should not exist.

The Village After Midnight is an adult interactive horror gamebook where your decisions determine the path ahead.

Explore. Investigate. Fight when you must. Manage your HEALTH, NERVE and SKILL, discover hidden routes and decide who can be trusted.

Some choices lead deeper into the mystery. Others may lead somewhere far worse.

Choose carefully. And try to find your way home.
