

Patty O'Chair

A collection of thoughts that
shouldn't have been written

A Collection Of Thoughts That Shouldn't Have Been Written

Blurb

A comedic look at events in my life through the medium of poetry. If you are looking for poems to make you laugh this is the book for you. Any reference to family members is intentional and deserved for the material they have provided for me to work with.

Thanks to my family of misfits and the accident prone for providing the impetus to right a poem about them, as well as having a dig at myself in the process.

Author Patty O'Chair, **Genre** Poetry, **Date** May 2026, **Formats** Paperback and ebook, 110 pages (Paperback)

Available at Amazon [HERE](#) (Paperback) and [HERE](#) (ebook).
