

Out Of Fire And Into Light

A Life Born In Flame

Blurb

I was burned in a crib fire that was assumed to have been set by my birth mother. She was skunky-drunk the night the fire happened. After which I was adopted, only to be cast into another obscene world of child abuse. Follow my story as I unfold my journey to recovery of body, mind, and spirit.

Author Joni DeSchane, **Genre** Memoir, **Date** March 2026, **Formats** Paperback, 186 pages (Paperback)
